# CENTENNIAL CELEBRATION!

## Have YOU been part of the Centennial Celebration?

Our Centennial Celebration is in FULL swing and we hope that YOU have been actively participating in some of the activities we have had to kick-off this once in a lifetime celebration focusing on faith, fellowship and service! Were YOU—

- one of the 1,000 people who attended our kick-off picnic? (Fellowship)
- one of the 40 people who gave blood at the Red Cross? (Service)
- one of the 350 people who welcomed Bishop Mark to celebrate the consecration of the altar 100 years ago? (Fellowship)
- one of the 200 people who attended Father Mark's classes on the rosary, Mary and her Seven Sorrows? (Faith)
- one of the many who donated to the 107 turkey dinners

for area families in need

- one of the faithful who helped us have 100 of Adoration during the Christmas Season? (Faith)
- one of the many folks who helped purchase and make 150 fleece blankets for children in need in our area? (Service)
- one of the 150 folks who came out to test their trivia knowledge (really to just have a good time together!)? (Fellowship)

We hope you answered YES! to at least one of these items — but really, we hope you answered YES!! to MANY of these items! And there is so much more to come as we continue to celebrate over the next 8 months and as we continue to strive to be a beacon in our community! Continue reading to find out more...

### February—100 Random Acts of Kindness

Oftentimes it's the smallest things that bring the biggest smiles to someone's day. And even more often, its just taking the time to be aware of your surroundings and looking for the opportunity to help someone that generates the most pure form of gratitude. This month, we will be giving you ideas—adults, high schoolers and our youth— at random, of how to be intentional about performing a random act of kindness for someone this month. Look for more information later this month, but lets look for random acts of kindness all month long!

## “Change Matters”

If you have change left in your pocket at the end of the day, do you know you are among 8% of the world’s wealthiest people? Perhaps you have a dish or jar you throw your loose change into each night. What if you and the person in the pew in front of you, and the person in the pew behind you, and the person in the pew across from you, ALL combined their loose change? What if we all brought our change to Mass on Pentecost Sunday to go for the good of someone who needs it? Would we make a difference in one person’s life? In several peoples’ lives? This Ash Wednesday, we will be kicking off our “Change Matters” initiative. You will be given one cup per family on your way out of Mass—we ask you to set it somewhere in your home where every family member can throw their spare change in it until Pentecost. Then we will all bring our cups to Mass and collect it all. Can your spare change make a difference? Does “Change Matter?” Let’s find out!!
